

Stanley College of proudly hosted the "Chevening Conversations on Cyber Security" in collaboration with the British Deputy High Commission.

The event was held under the visionary leadership of Correspondent Sri K. Krishna Rao and Director Management Shri T. Rakesh Reddy.

The presence of Mr. Gareth Wynn Owen, British Deputy High Commissioner, along with distinguished Chevening Alumni and Fellows, made the event highly impactful. Experts from diverse sectors mentored and evaluated student discussions, offering valuable global perspectives on cyber security.

The event was successfully coordinated by Dr. VyomaKesari T, with student coordinators Aasila Malhat (CSE) and Tulja Yerram (ECE), creating an engaging platform for over 100 participants.

This initiative further strengthens SCETW's commitment to global academic collaboration, cyber security awareness, and empowering women in STEM.
