

International Women's Day Celebrations at Stanley College of Engineering and Technology for Women

Empowering women, impact the world

Stanley College of Engineering and Technology for Women proudly celebrated International Women's Day with great enthusiasm and spirit. The event highlighted the achievements, strength, and contributions of women in education, technology, and society.

The celebration featured inspiring speeches, engaging activities, and special recognitions that motivated students to pursue their dreams with confidence and determination. Faculty members and students came together to honor the power of women and promote the message of equality, leadership, and empowerment.

Let us continue to inspire, support, and uplift each other to build a brighter and more inclusive future. 🌟
"Empowered Women Empower the World." 🌍🌸
