

A Moment of Pride & Excellence! We are thrilled to announce that our ECE 2026 passed-out students — Ms. Dhanyasree, Ms. Charitha, and Ms. Christina — have secured the FIRST PRIZE

at the prestigious Silicon Labs Edge Intelligence Challenge held today at T-Hub!

Achievement Highlights:

Cash Award: ₹5 Lakhs

Competed among 450 teams

Emerg ed as winners among the Top 9 finalists

This remarkable achievement reflects their innovation, technical excellence, and unwavering determination.

Our heartfelt congratulations to the winners and sincere appreciation to the dedicated faculty mentors — Mrs. B. Harika, Dr. G. Karthik, and Mr. Chandra — for their meticulous guidance and constant encouragement. Your success is an inspiration to the entire student community!

Stanley students win first prize at 'National Silicon Labs Challenge'

METRO INDIA NEWS | HYDERABAD

Final-year students of the Electronics and Communication Engineering (ECE) department at Stanley College of Engineering and Technology for Women (Autonomous), Abids secured the first prize along with a cash

award of Rs 5.00 lakh at the "Silicon Labs Edge Intelligence Challenge."

The winning team comprising Dhanyasree, Charitha, and Christina achieved this feat at the national-level competition conducted in collaboration with the Institute of Electrical and Electronics Engineers (IEEE) at T-Hub, Hyderabad, on April 16, 2026.

The team emerged victorious among 9 finalists, who were shortlisted from a pool of 450 teams across the country. The challenge, which commenced in September 2025, witnessed

participation from across the country.

The Correspondent of the college K.Krishna Rao, Principal Dr B.L.Raju, Dean Dr A.Vinaya Babu and HoD Dr K.N.Sahu expressed immense pride and

congratulated the students for their accomplishment.

They also appreciated the dedicated efforts and mentorship provided by the faculty members. B. Harika, Dr. Guntha Karthik, and Chandrakar.
