

We are happy to share that 39 students from the CSE Department actively participated in the BITS Pilani Research Exploration Symposium (C-REx 2026)

held on 11th April 2026 at BITS Pilani, Hyderabad Campus.

Hearty Congratulations to all the participating students for utilizing this excellent research exposure opportunity.

Special congratulations to Dr. Shivani Yadao, Associate Professor, CSE, for successfully coordinating this initiative as Faculty SPOC under the BITS Pilani MoU.

The HoD - CSE and all faculty members appreciate and congratulate the students for their enthusiasm and participation. Such initiatives significantly enhance research orientation and academic growth.

Let us continue to strive for more such achievements!

4th C-REx 2026: Computer Science Research Exploration
One Day Research Exploration Symposium
on
11th April 2026 (Saturday)
Department of Computer Science and Information Systems
BITS Pilani Hyderabad Campus (BPHC)

Talks in the Symposium	Why to Attend ?
• Cloud Computing and Software Engineering • Theoretical Computer Science • Interdisciplinary Research • Artificial Intelligence and Machine Learning • Natural Language Processing and LLMs • Research Opportunities with us	• Exposure to cutting-edge research • Interaction with experienced researchers • Know-How of Ph.D. Programme • Explore research career perspectives

Important dates	Registration
• Registration open • Registration closes 7 April 2026 • Event: 11 April 2026	• No Registration fees • Complimentary Lunch and Refreshments • Certificate upon completion

Eligibility Recent graduates and final year students of BE/BTech/ME/MTech in Computer Science, IT, ECE, EEE or equivalent.
